Filing Date: 24 September 2003

Examiner: M. Marvich

Title: ADENOVIRUS E1B-55K SINGLE AMINO ACID MUTANTS AND
METHODS OF USE

RESPONSE AND AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Office action in the above-referenced application, mailed 19 June 2006. The response date was indicated as 1 month; however, in a telephone conversation with the Examiner (15 August 2006), the Examiner noted that the 1 month response period was a clerical error and that a 3 month response date was proper. Accordingly, the response date, with no extension, falls on Tuesday, 19 September 2006. Authorization to charge to Deposit Account No. 15-0615 for additional claims accompanies this paper in the Transmittal Letter. No additional fees are believed due; however, the Commissioner is hereby authorized to charge to Deposit Account No. 15-0615 any fees under 37 C.F.R. §§ 1.16, 1.17 and 1.21 which may be required by this paper, with the exception of the payment of the issue fee. Reconsideration of the application in view of the following amendments and remarks is respectfully requested.
